

School name:

Step 1: Logging in to the BryteWave™ K-12 Edition app

- Download and install the BryteWave K-12 Edition app from the App store or Google Play.
- Launch the mobile app.
- Enter your **User Name** and **Password**.

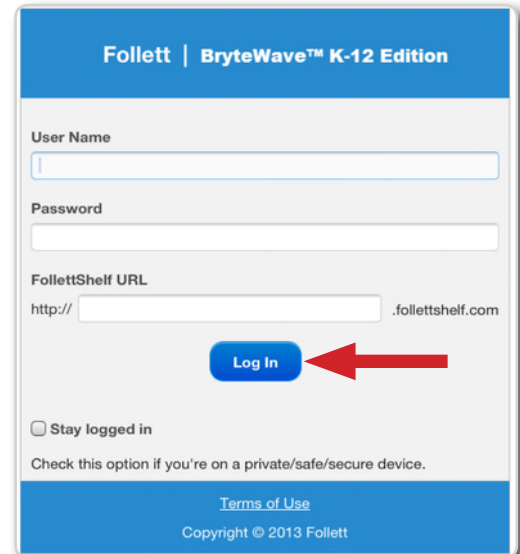

User Name:

Password:

- Enter the Follett Shelf URL:

- If you are on a private/safe/secure device and want to skip steps C and D next time you access the mobile app, select the **Stay logged in** checkbox.
- Tap **Log In**.

Note: BryteWave K-12 Edition is a new app and not an update to previous Follett Reader apps. If you are currently using the Follett Digital Reader app, please uninstall it and download the new BryteWave K-12 Edition app.

Step 2: Logging in to the Destiny Quest mobile app

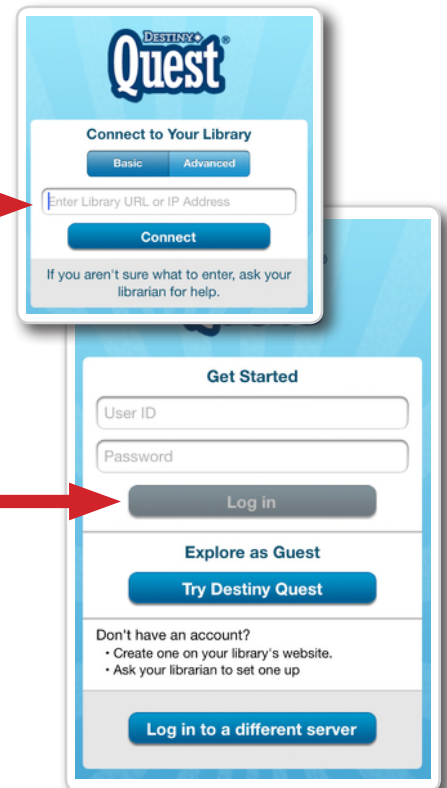

- Download and install Destiny Quest mobile from the App store or Google Play.
- Launch the Destiny Quest mobile app.
- Enter your Destiny URL and tap **Connect**:

- Select your school library.
- Enter your User ID and Password.

User Name:

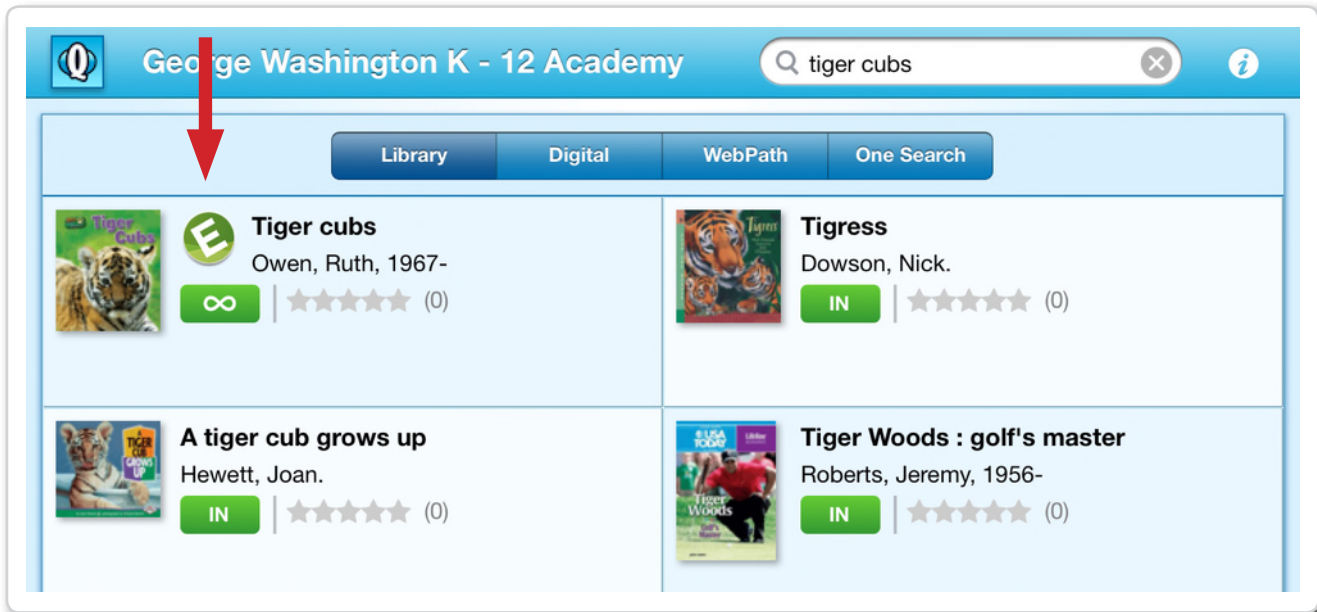

Password:

- Tap **Log In**.

Step 3: Searching for and checking out an eBook from the Destiny Quest mobile app

- Search for the eBook you want to read. eBooks will appear with a green “E” icon. 
- Tap the eBook search result, and then tap **Open in browser**.
- Tap on the eBook cover or the **Open** button, and then tap **Checkout and Download Now**.

Step 4: Reading a Checked out eBook

- Tap the eBook cover to open and read the book.
- To return to **My Checkouts**, tap the **Bookbag** menu option. If you don't see your latest checkouts, tap **Synchronize** from the menu.

Note: To access a checked out eBook and corresponding notes from another device, you need to move the book back online. From the **My Checkouts** screen, tap **Move Online**. You must be online to synchronize your checkouts and download eBooks.
