

Builta Elementary School
Birthday Book Club

Dear Parents and Students,

"A book is a present you can open again and again." The Birthday Book Club program invites students to donate a book of their special choosing to the LMC during the month of their birthday. The LMC Director will have a selection of books from which students may choose. The cost will be no more than \$15.00 per book, but could be less according to the list price. Students will be asked to bring a **check** for the book they choose (make checks payable to Builta Elementary School). A note will go home with the student after they have chosen the book. One day each month all students who have chosen to participate in the program will go to the LMC after morning announcements to choose his or her book. A photo of the student will be taken and placed in the book on a special bookplate indicating the donor and his or her birthday. The book will then be checked out to that student. Staff members are also invited to participate in this program. This is a great way to give a lasting gift to the school and celebrate your birthday at the same time.

If you have questions about the program please call the LMC at 226-4411.
